PROGRAM DURATION, STUDY MODE & DESCRIPTION

PROGRAM DURATION (Number of Semesters)		STUDY MODE
Full-Time (4-5 Semesters)	Part-Time (5-8 Semesters)	All MHSM courses offered online.

The Bachelor of Applied Science (BAS) in Healthcare Management is designed to enhance any health science associate of applied science degree. The BAS prepares students for career advancement or entry-level healthcare managerial positions. The degree program enables working allied health professionals to advance their career by focusing on leadership skills, knowledge and credentials in the healthcare management field.

Online courses rely on technology for the delivery of the course as well as the completion of assignments, etc. Students interested in online courses need access to a compatible computer or mobile device, high-speed internet connection, a webcam and microphone. To be successful, students taking online courses must have basic computer skills and be competent with office productivity applications and the use of websites.

PROGRAM ADMISSION CRITERIA

Fifteen applicants will be offered admission in the Fall cohort.

- An applicant must have an Associate of Applied Science (AAS) in Occupational Therapy Assistant, Physical Therapy Assistant, Radiography, Medical Laboratory, Histologic Technician, Nuclear Medicine, Dental Hygiene, Health Information Technology, or any healthcare related field pending program director approval. Students with AAS degrees in allied healthcare from Houston community college are awarded priority admission. Prior college-level coursework must have a minimum cumulative GPA of 2.0 or higher.
- HCC Coleman College health science AAS students, within two semesters of graduation, are eligible to apply. However, the associate degree must be conferred prior to official acceptance into the BAS Healthcare Management program.

ADMISSION GUIDE

Bachelor of Applied Science (BAS),
Healthcare Management

- If the applicant is not a current HCC student and applies to the BAS program, then provide HCC with official transcripts that show their conferred health science AAS degree. The AAS degree must be issued from an institution that is regionally accredited by an agency that is recognized by HCC.

HOW DO I SUBMIT MY APPLICATION?

1. Apply to HCC.

If you are new to college or transferring, your first step is to become an HCC Eagle by submitting a free admissions application. To obtain the HCC student ID number, please create a profile and complete an application at www.applytexas.org/. You will receive a welcome email response within 48 hours. Be sure to save your ID number or P-number/D-number (if you are assigned one). Do not submit another application if you already have an HCC student ID or have previously applied at any point. Multiple HCC applications or ID numbers are not allowed.

2. Apply for financial aid.

All students should apply for financial aid immediately after applying for admission to HCC. Filling out a financial aid application is the first step in learning your options to pay for college. HCC accepts financial aid applications throughout the year, submitting an application early will give you a better chance of securing aid.

- Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov.
- Free Application for Texas Application for State Financial Aid (TASFA) at www.hccs.edu/tasfa.

If you need assistance paying for college, please visit the Coleman Financial Aid office for assistance or visit www.hccs.edu/applying-and-paying/financial-aid/.

3. Meet with an advisor.

You can meet with HCC advisor in person or virtually to determine eligibility for admission to the program. HCC can use the unofficial transcript(s) for the initial advisement purpose. Before accessing an in-person student service, students are encouraged to always reference the virtual lobby webpage for the most up-to-date hours of operations and locations: www.hccs.edu/virtual-lobby.
