

# PHYSICAL THERAPIST ASSISTANT

## Associate of Applied Science (AAS)

(Meeting minimum requirements does not guarantee admission to the program)

TERM	Applications Accepted	Application Review & Interview Conducted	Application Status Notification	Application packet must submit via email
Fall: August 2024	<b>Early Application Period</b> Nov. 6, 2023 – Feb. 2, 2024	Nov. 15, 2023 – Feb. 23, 2024	By March 11, 2024	<a href="mailto:co.ptaadmit@hccs.edu">co.ptaadmit@hccs.edu</a>
	<b>Regular Application Period</b> Feb. 5, 2024 – June 3, 2024	Feb. 24, 2024 – June 21, 2024	By July 1, 2024	

### Program Duration, Study Mode and Class Schedule Information

Program Duration(Number of Semesters)		Study Mode
Full Time: 5 semesters	Part-Time: N/A	Face-to-Face, and Offsite Fieldworks

Program days and times may vary but you should plan to attend classes 5 days a week. Day classes are generally between 7:00 a.m. to 6:00 p.m. Clinical affiliations may require weekend attendance or a different schedule. This is determined by the clinical facility. Please plan accordingly to ensure you have proper transportation for classes and clinical affiliations.

### Program Admissions Statistics

On average, approximately 160 students apply for admission each application period. Of these, approximately 50 are typically accepted.

# How Do I Submit An Application?

## 1. Apply to HCC:

If you are new to college or transferring to HCC, your first step is to become an HCC Eagle by submitting a free admissions application to HCC. Please create a profile and complete an application to obtain the HCC student ID number: <https://prod.applytexas.org/>. You will receive a welcome email response from HCC within 48 hours, be sure to save your HCCID-Number or P-Number/D-Number (if you are assigned one). If you have filled out an HCC application at any point, or you already have an HCC student ID number, please do not submit another HCC application. Multiple HCC new student applications and/or ID numbers are not allowed.

Note: In addition to the HCC admission application, you must complete and submit a typed Physical Therapist Assistant program application via email to [co.ptaadmit@hccs.edu](mailto:co.ptaadmit@hccs.edu)

## 2. Apply for Financial Aid (this step is applied for students who are seeking Financial Aid):

All students should apply for financial aid immediately after applying for admission to HCC. Filling out a financial aid application is the first step in learning your options to pay for college. HCC accepts financial aid applications throughout the year, submitting an application early will give you a better chance of securing aid.

- Free Application for Federal Student Aid (FAFSA) at [fafsa.gov](https://fafsa.gov),
- Free Application for Texas Application for State Financial Aid (TASFA) at [hccs.edu/tasfa](https://hccs.edu/tasfa).

If you need assistance paying for college, please visit the Coleman Financial Aid office for assistance or visit [www.hccs.edu/applying-and-paying/financial-aid/](http://www.hccs.edu/applying-and-paying/financial-aid/)

## 3. My Eagle HCC account checklist:

Please visit: [myeagle.hccs.edu](http://myeagle.hccs.edu), review and take action on the HCC Policy Checklist and On-Boarding Checklist. **Your To-do List may have four types of checklist items** in your Student Center including Meningitis Vaccine and Texas Success Initiative requirements:

- ***Meningitis Vaccine*** – Required for all college students under the age of 22. For more information on requirements, resources & any religious, medical, or online students exemptions, please visit: [Meningitis](#)
- ***Texas Success Initiative requirements*** – If you have the "Texas Success Initiative College Readiness Requirements" Checklist on your pre-enrollment To-do List in the Student Center, you have to be placed into core courses one of two ways.
  - Have an approved exemption (reason) for not taking Texas Success Initiative Assessment 2.0 (TSIA2). Please visit: [Texas Success Initiative Assessment/ Exemption](#) for more information.  
**OR**
  - Take the Texas Success Initiative Assessment 2.0 (TSIA2). Please visit [Texas Success Initiative Assessment](#) for more information.

## 4. Meet with HCC Coleman College Advisor:

At least once during the application acceptance period, an applicant must attend an In-Person/Virtual Program Information Session or must meet with an HCC Coleman Pathway Advisor or HCC Coleman Admissions Advisor via the phone or in-person or virtually at least once to ensure they are meeting all of the program admission criteria.

Applicants must submit proof with their program application, and this can be a Peoplesoft Student admin advisee note, email, or any other correspondence from HCC Coleman to the applicant.

## 5. Program Information Session:

Program Information Session attendance is recommended; however, optional. To receive the latest application information, schedule and attend a virtual online Program Information Session. Please register at: [Physical Therapist Assistant | Houston Community College - HCC \(hccs.edu\)](#) You will receive a Webex link in your email following registration. If you have questions regarding the online delivery of program information sessions, please contact the Program Director via email at [michele.voight@hccs.edu](mailto:michele.voight@hccs.edu)

## 6. Program Application:

In addition to the HCC admission application, you must complete and submit typed Physical Therapist Assistant program application via email to [co.ptaadmit@hccs.edu](mailto:co.ptaadmit@hccs.edu) with:

- Copy of all transcript/s showing completion of the general education courses
- Completed admission rubric form
- HCC Coleman college advisor visit note or email
- Completed observation hours log form(s)
- HESI or ATI/TEAS exam results, and any other applicable supporting documents by the application submission deadline.

*(Please send all of the application documents in one email and label each attachment with the file name.)*

### ➤ **Observation Hours:**

All applicants are required to complete at minimum 40 hours of observation in a physical therapy setting. Observation hours must be completed in two different settings and may include in-patient, out-patient, or home health settings. The applicant must observe a licensed physical therapist or a licensed physical therapist assistant. The observation hourly log is found on the program webpage and should be completed by the applicant and signed and verified by the observed licensed clinician. Applicants must submit a observation hourly log form for each setting observed with the program application. Applicants are required to seek out observation opportunities independently. HCC will not assist in locating facilities for applicant observation.

➤ For more information about prerequisite/academic courses, HESI or ATI/TEAS exam, please refer to the sections: [Program Application: Academic Course Requirements](#) & [Program Application: HESI Pre-entrance Exam Requirements](#).

## 7. Submit official transcripts:

Please submit your official sealed (unopened) transcript(s) from high school, GED, and any other colleges and/or Universities previously attended. ***If you have completed your courses at HCC, you do not need to submit an official transcript.*** We do not accept unofficial copies or official copies that have been opened. There are two ways to submit an official transcript from your high school or previous institution:

- **Submit Electronically:** Have an official PDF transcript electronically sent from approved service providers such as Credentials, Parchment, and National Student Clearinghouse to: [admissions@hccs.edu](mailto:admissions@hccs.edu)
- **Submit by Mail:** Please use the address: Houston Community College, Office of Admissions & Records, P.O. Box 667517, Houston, TX 77266-7517
- All foreign transcripts must be evaluated for US equivalency and foreign transcripts must first be evaluated course-by-course by an approved evaluating agency. To find a list of approved evaluation companies, please visit [Foreign transcript/Foreign Credit Evaluators](#). Then the official evaluation report must submit to HCC. The HCC Internal process can take up to 8 weeks for evaluation and transfer of course credits.
- **TSI/Placement Test:** Submit your TSIA2 score, not all new students are required to take the Texas Success Initiative Assessment 2.0 (TSIA2). In order to determine your level of college readiness and

placement status, you should submit transcript from an accredited college/university/institution where you have satisfactorily completed college-level coursework or score reports from external tests like the SAT, ACT, AP, CLEP, IB, etc. Placements may be set from a variety of sources. Please refer to the link [Texas Success Initiative \(TSI\) College Readiness/Placement Test](#) to learn about your options/exemptions to complete this requirement.

For more information on transcript(s) submission, please visit: [Transcript\(s\)](#). It is the responsibility of the student to allow enough time for the evaluation of transcripts; please allow 6-8 weeks for evaluation and transfer of course credits.

To receive Prior Learning Assessment (PLA) credit towards admissions to the Physical Therapist Assistant program, applicant should not have previously taken or attempted the course (by title), that is the same as the PLA credit for which he/she is applying. For more information on PLA you may visit <https://www.hccs.edu/resources-for/current-students/prior-learning-assessment/>

- **International Students:** If you are an international student planning to attend HCC on a status F-1, (DACA, refugee, L visa, H visa, etc.), please visit <https://www.hccs.edu/support-services/international-students/>.
- **Veteran students:** Please visit <https://www.hccs.edu/support-services/veteran-affairs/>. Download and complete [DD Form 214 & SF-180 Form](#) and submit with the application.

## Program Application: Course Requirements

Course Description	Credit Hours
<p><b><u>Student Success Course</u></b>            Required only if new to college or transferring to HCC with less than 12 college level credits            ➤ EDUC 1300 – Learning Framework</p>	3
<p><b>PTA Program General Education Courses GPA:</b> Cumulative GPA minimum 3.0 or higher for the following general education courses</p>	
<p>Due to competitive admission using a point-based system, General Education courses embedded in the PTA curriculum <b>are highly recommended</b> to be completed by application deadline a grade of “C” or above is required for each of the General Education courses. Points towards your application are only applied from completed courses.  <i>Please note courses taken and accepted as part of the required general education courses will not be repeated in the Physical Therapist Assistant Program.</i></p>	
<p>➤ BIOL 2301 and BIOL 2101 (formerly BIOL 2401) – Anatomy &amp; Physiology I(LEC/LAB)</p>	4
<p>➤ BIOL 2302 and BIOL 2102 (formerly BIOL 2402) – Anatomy &amp; Physiology II (LEC/LAB) is a required general education course in the PTA curriculum. If this course is submitted as part of the application, it must have been completed within <b>5 years</b> prior to the application submission deadline. If the course is beyond the 5-year requirement, the A&amp;P II course can be accepted if the applicant scores 85 or higher on the A&amp;P section of the HESI exam.</p>	4
<p>➤ PSYC 2301 – Introduction to Psychology</p>	3
<p>➤ PSYC 2314 – Human Growth and Development: Lifespan</p>	3
<p>➤ Humanities/Fine Art Elective</p>	3
<p><b>Academic Courses:</b> N/A</p>	
<p><b>Recommended Courses:</b> N/A</p>	
<p><b>Placement Test</b>            ➤ If assessed below college level math, applicant must show proof of completion of MATH 0332P, with a grade of “C” or higher.</p>	
<p>To determine your eligibility by calculating your cumulative points earned, please use our <a href="#">Admission Rubric</a> form on the website. The completed rubric is required as part of the application packet.</p>	
<p><b><u>Interview</u></b> – Applicants who submit the applications by specified deadlines per the admission guide and earn a score of <math>\geq 82.6</math> points OR <math>\geq 52.5</math> % from the submitted applicant's materials (PTA General courses/HESI or ATI/TEAS) will earn the opportunity to participate in a virtual interview to earn additional points towards the program application.</p>	
<p><b><u>Observation Hours</u></b> - All applicants are required to complete at minimum 40 hours of observation in a physical therapy setting. Observation hours must be completed in two different settings and may include in-patient, out-patient, or home health settings. The applicant must observe a licensed physical therapist or a licensed physical therapist assistant. The observation hourly log is found on the program webpage and should be completed by the applicant and signed and verified by the observed licensed clinician. Applicants must submit a observation hourly log form for each setting observed with the program application. Applicants are required to seek out observation opportunities independently. HCC will not assist in locating facilities for applicant observation.</p>	

## HESI Pre-entrance Exam Requirements

The HESI A2- Admissions Assessment entrance exam is required to apply for **PHYSICAL THERAPIST ASSISTANT** program at HCC Coleman College. Please note if the applicant has already taken [ATI/TEAS](#), this exam may be used in lieu of HESI.

- To schedule a HESI-A2 test please contact HCC Coleman College Testing Center at **713.718.5170** or via email: [coleman.testing@hccs.edu](mailto:coleman.testing@hccs.edu) .
- The payment of \$75.00 must be made by either credit or debit card.
- Scores are valid for the period **between June 1, 2021 and June 3, 2024.**
- Required HESI-A2 sections:

No minimum score is required for below sections; however rubric points are awarded based on the range of scores.	No rubric points will be awarded for below sections but must take exam and submit result.
<ul style="list-style-type: none"> <li>• Anatomy &amp; Physiology</li> <li>• Vocabulary</li> <li>• Grammar</li> </ul>	<ul style="list-style-type: none"> <li>• Math</li> <li>• Reading</li> <li>• Critical Thinking</li> </ul>

- HESI-A2 exam results for all required sections must be downloaded in .pdf format from Elsevier/ Evolve account and submitted with a completed program application by the application deadline. (Regardless taken at HCC or outside of HCC).
  - Students are allowed to submit up to two HESI-A2 transcripts to Houston Community College for the purpose of scoring for PTA program. It is recommended to wait at least 30 days before retesting.
  - Please note HESI Remediation through Elsevier is FREE.
  - If applicant is submitting ATI/TEAS exam result then, please submit individual score results as .PDF each subject taken in the exam. To view your individual score:
    - STEP 1 – ACCESS “MY RESULTS”** To access your results, log in to [www.atitesting.com](http://www.atitesting.com) with your username and password. From the home page, select the My Results tab to access your full transcript.
    - STEP 2 – SELECT THE TEAS ASSESSMENT** Next, under the Proctored Assessments section, find the exam for which you want the results. Click on the assessment’s name to view the Individual Performance Profile page.
    - STEP 3 – SELECT “DOWNLOAD REPORT”** From the Individual Performance Profile page, select the button labeled “Download Report.” This will allow you to download a PDF document you may upload with your application.
  - **How to obtain your HESI exam scores, including Critical Thinking on [evolve.elsevier.com](http://evolve.elsevier.com)**
    - Go to the [Students Welcome page](#).
    - Log in to your Evolve Account, then click “HESI Assessment – Student access.”
    - Under the “My Exams” tab locate your exam
    - Click “View Results.”
    - Click “Results Report.”
- HESI exam Critical Thinking scores:**
- Log on to [evolve.elsevier.com](http://evolve.elsevier.com)
  - Click on “Student Access3.”
  - Click on “Admission Assessment Report” under “Exam History” (This is for the bar graph page of the HESI; save this document as a PDF.)
  - Go back to “My Exams.”
  - Click on the plus sign (+) next to “Admissions Assessment Report.”
  - “Critical Thinking” will appear in the drop-down list. Click on the link “View Results.
  - Click on “Results Report.pdf” under “View Your Detailed Scoring Report” on the right. (Save as PDF.)

## Pre-Enrollment Process & Requirements (Upon Admission Offer)

- Selective criteria is used to determine which applicants are offered admission. The selective criteria are based on academic history, testing, observation forms submission, and the interview process. Selective criteria are awarded based on the following:
- **75%** awarded based on the health program academic criteria (grades earned from the PTA General Education Courses GPA and HESI or ATI /TEAS results.)
- **25%** awarded based on the interview process – to earn an interview, applicants must score  $\geq 52.2\%$  *OR*  $\geq 82.6$  points from their PTA General Education Courses GPA and HESI/ATI TEAS scores. Use the required rubric to determine earned points.
- All application requirements must be satisfied by the close of the application window.

**If you are offered admission, you will need to complete the following pre- enrollment requirements.**

**The PTA Program will contact you regarding the process of entering your immunizations and getting a drug screen and background check. with Complio system by a specific due date to maintain eligible status:**

- Complete the letter of Intent form by the deadline stated in the admission acceptance offer that was sent via email to your preferred email address that was entered on the Health Science Program Application.
- Proof of personal health insurance; if you need to purchase health insurance please visit: <https://www.hccs.edu/resources-for/current-students/student-health-insurance/> for a list of health care insurance providers that HCC has compiled as a courtesy to students who wish to contact a potential provider to meet their personal health insurance needs. Students are advised to contact more than one company and compare offerings.
- Passing drug screen through Complio system.
- Immunization record showing (Monitored by Complio system- <http://houstoncccompliance.com/>) Hepatitis B vaccination series or positive titer, MMR (Mumps, Measles, Rubella) vaccinations or positive titer for each, Tdap vaccination –every 10 years, TB test – every year, Varicella vaccination or positive titer, Hepatitis C negative titer, Meningitis (required for students 22 years or younger) and Influenza vaccination for the current school year, If the Titer for Hepatitis B, MMR or Varicella is negative you must get immunization series and the 2nd Titer. (Exception is Hepatitis C).
- Cleared Criminal Background through Complio system. Individuals with a positive background must contact the Executive Council of Physical Therapy Examiners for criminal history evaluation: [Criminal History Evaluation](#)
- Complete the mandatory student services and program orientation on the date provided in your admission email. (Please clear your calendar so you are available to attend the mandatory orientations if you are offered admission as follows: Fall Term – plan to attend orientations between end of July and early August.

## ➤ **Clinical Requirements for Program Progression & Completion**

To provide students with the most robust clinical educational experience and to ensure that students progress and graduate as scheduled, it is highly recommended that applicants weigh all of their options before agreeing to a conditional acceptance into their desired health science program. In order to facilitate this decision-making, students should understand all of the requirements of their program, including clinical education.

To be placed in a clinical educational experience, students must comply with the guidelines and requirements of HCC clinical sites, including health and wellness directives. Most clinical sites require background checks, health testing, drug screens and immunizations, including proof of COVID-19 vaccination.

Students are required to provide to HCC proof that students meet all clinical requirements, with the exception of their COVID-19 vaccination status. Consistent with state law, HCC does not mandate the COVID-19 vaccination. Students have the choice to voluntarily disclose or not disclose their COVID-19 vaccination status through their HCC Complio account.

However, most healthcare facilities do require the vaccine as a condition of employment, volunteering, or student clinical placement. If a student chooses not to disclose their COVID-19 vaccination status or is not vaccinated, HCC may not be able to place the student in clinical rotations. HCC will work to place such students into a clinical site that does not require the vaccine, provided such a site is available and HCC has an active affiliation agreement in place that meets the necessary conditions to provide an appropriate learning opportunity for the student. However, HCC cannot guarantee that clinical sites that do not require the COVID vaccine will be available at the time the student requires placement. At this time, many healthcare facilities are not accepting religious or medical exemptions for the COVID-19 vaccine for clinical students.

If a student chooses not to receive or to provide proof of COVID-19 vaccination and no clinical sites are available to accept the student that do not require the COVID-19 vaccination, the student's progression in the program and graduation will be delayed or stopped all together. If a student cannot be timely placed in a qualifying clinical site, a student may not be able to complete the program. Our affiliate partners' expectations are the same for our students as they would be when our students ultimately become employees in their chosen field.

Students with questions about clinical requirements and placement may contact the program director of their program of interest.

## ➤ **HB 1508 requires the following information be given to students:**

If you are applying for admission to a program that prepares an individual for an initial occupational license or certification and/or if you later decide to change to a program that prepares you for an initial occupational license or certification, in accordance with state law, please be advised of the following:

1. An individual who has been charged or convicted of an offense or who is on probation may not be eligible for issuance of an occupational license or certification upon completion of the educational program.
2. It is the responsibility of the individual to immediately report to the program any change in status that would affect that individual's eligibility to apply for a license or certification.
3. Local, state or national licensing and certification authorities may issue additional guidelines related to criminal history. Applicants should contact their respective licensing or certification authority for more details.

Most health care programs require all students - admitted to the program - to submit to a national background check which may include fingerprinting. Applicants are encouraged to review all applicable eligibility requirements related to the respective occupational license or certification. Questions related to eligibility requirements should be directed to the individual program and applicable licensing or certification authority.

➤ The **Physical Therapist Assistant Program** requires participation in clinical rotations in order to complete the program. In order to participate in clinical rotations at our affiliate sites, certain background information must be verified. Students participating in clinical rotations must meet the same background verifications as clinical staff at our affiliate sites. For that reason, we require students to submit the following required background information before admission/enrollment in the program is completed

1. Social Security Number Verification
2. Criminal Search (7 yrs. or up to 5 criminal searches)
3. Violent Sexual Offender and Predator Registry Search
4. OIG List of Excluded Individuals/Entities
5. GSA List of Parties Excluded from Federal Programs
6. US Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated nationals(SDN)
7. State Exclusive List [www.hhsc.state.us](http://www.hhsc.state.us)
8. Driver's license or government issued identification

Please note. Verification of this information is the financial responsibility of the student and must be completed through the program-approved vendor – Complio.

### ➤ **HCC Coleman College Grading Scale**

To best prepare students for success in their chosen fields, Health Sciences Programs have high standards for progression. Unlike other HCC programs, the Physical Therapist Assistant program requires a C (75%) or better to progress to the next course or semester in the program. For specific questions about grades, grading, and progression within Health Science programs, please contact Coleman College at [healthscience.info@hccs.edu](mailto:healthscience.info@hccs.edu) .

#### Physical Therapist Assistant Program Grading Scale

A = 100 – 90 %

B = 89 – 80 %

C = 79 – 75 %\*

D = 74 – 60 %

F = 59 – 0 %

\*A grade of C (75%) or better must be achieved to progress to the next course or semester.

 Award: Physical Therapist Assistant, A.A.S.

## Physical Therapist Assistant, A.A.S.

### First Year

#### First Semester - Fall

Course Name	Credits:	Term Taken	Grade	TX Core
PTHA 1301 - The Profession of Physical Therapy	Credits: 3			
BIOL 2301 - Anatomy & Physiology I (Lecture)	Credits: 3			
BIOL 2101 - Anatomy & Physiology I (lab)	Credits: 1			
PTHA 1405 - Basic Patient Care Skills	Credits: 4			
PTHA 1413 - Functional Anatomy	Credits: 4			
HPRS 1206 - Essentials of Medical Terminology	Credits: 2			

**Semester Total: 17**

#### Second Semester - Spring

Course Name	Credits:	Term Taken	Grade	TX Core
PTHA 1321 - Pathophysiology for the PTA	Credits: 3			
PTHA 2301 - Essentials of Data Collection	Credits: 3			
PTHA 1431 - Physical Agents	Credits: 4			
BIOL 2302 - Anatomy & Physiology II (Lecture)	Credits: 3			
BIOL 2102 - Anatomy & Physiology II (lab)	Credits: 1			
HPRS 2232 - Health Care Communications	Credits: 2			

**Semester Total: 16**

#### Third Semester - Summer

Course Name	Credits:	Term Taken	Grade	TX Core
PTHA 2205 - Neurology	Credits: 2			
PTHA 2509 - Therapeutic Exercise	Credits: 5			

**Semester Total: 7**

### Second Year

#### First Semester - Fall

Course Name	Credits:	Term Taken	Grade	TX Core
PSYC 2301 - General Psychology	Credits: 3			
PTHA 1266 - Practicum (or Field Experience) Physical Therapist Assistant	Credits: 2			
PTHA 2435 - Rehabilitation Techniques	Credits: 4			
PTHA 2431 - Management of Neurological Disorders	Credits: 4			

**Semester Total: 13**

#### Second Semester - Spring

Course Name	Credits:	Term Taken	Grade	TX Core
PSYC 2314 - Lifespan Growth & Development	Credits: 3			
PTHA 1267 - Practicum (or Field Experience) Physical Therapist Assistant	Credits: 2			
PTHA 2266 - Practicum (or Field Experience) Physical Therapist Assistant	Credits: 2			
* XXXX #3## - Humanities/Fine Arts Elective Credits: 3 <sup>1</sup>				
PTHA 2339 - Professional Issues (Capstone)	Credits: 3			

**Semester Total: 13**

**Total Minimum Credits for the AAS Degree: 66**

## Estimated Costs

Tuition is estimated using the Texas resident rates. Out of district and out of state residents will have a higher tuition fees. Please visit <http://www.hccs.edu/applying-and-paying/tuition-calculator/> for more information.

Tuition is for core coursework only. General Education and Support courses are not included. These are high estimates; actual costs will vary depending on health insurance coverage.

Due to increases/decreases in books and supplements, please check the book store website at <http://hccs.bncollege.com/webapp/wcs/stores/servlet/BNCBHomePage?storeId=19561&catalogId=10001&langId=-1> for updated cost information. Only required books are included in the estimate.

<b>Pre-Entrance</b>	
Criminal Background/Drug Screening	\$95
Physical Exam	0
Immunization (varies)	\$200
Medical Insurance (varies)	Varies
Supplies	\$125
<b>SUB TOTAL</b>	<b>\$420</b>
<b>1st Semester (17 of semester hours)</b>	
Tuition and mandatory fees	\$1437.50
Books	\$900
Uniforms	\$60
Parking (4months)	Varies
<b>SUB TOTAL</b>	<b>\$2,397.5 0</b>
<b>2nd Semester (14 of semester hours)</b>	
Tuition and mandatory fees	\$1187
Books	\$1,100

## **Paying For College**

You can use a valid MasterCard, Visa, Discover, or American Express card to pay for tuition and fees. You can also use debit card with Visa or MasterCard logo, but not a non-USA credit card. Online payment via check is also available.

Check or echeck payments have a 10 day hold on release of official transcripts. International students or their parents can also pay online from their country of origin with their local currency, where applicable. Online payment from other countries can be made through “International Fund Transfer” payment option.

### **➤ Additional Options for Payment**

#### **Financial Aid**

If you need assistance paying for college, please visit the Coleman Financial Aid office for assistance or visit [www.hccs.edu/applying-and-paying/financial-aid/](http://www.hccs.edu/applying-and-paying/financial-aid/)

#### **Scholarships**

In addition to federal and state aid, scholarships are a great way to offset all or part of the cost of your education. Please visit <https://www.hccs.edu/applying-and-paying/financial-aid/scholarships/> for more information.

#### **Installment Payment Plan**

If you are paying out of pocket and need assistance on how to setup a payment plan please visit Business Office at HCC Coleman or visit <https://www.hccs.edu/applying-and-paying/student-financial-services/> for more information.

## **Program Information**

#### **Accreditation Agency**

Commission on Accreditation in Physical Therapy Education

#### **Licensure Testing**

Program Graduates are eligible to take the National Physical Therapy Examination (NPTE) and become licensed by the Texas State Board of Physical Therapy Examiners which is required for employment as a physical therapist assistant.

#### **Employment Opportunities**

Licensed Physical Therapist Assistants may find employment in hospitals, nursing homes, rehabilitation centers, outpatient clinics, school systems and home health care agencies.

#### **Average Salary**

Entry-level salaries are in range between \$43,000 and \$58,000 annually. Find out the entry level wages, the medium wages and high wages for each career field in High School or less, Vocational Certificate, Associate's degree, Bachelor's degree and Graduate degree: [Career Coach | Houston Community College \(HCC\) | We are Houston's Community College \(hccs.edu\)](#)

#### **Questions**

For further assistance on program admission requirements, please email us at: [coleman.advising@hccs.edu](mailto:coleman.advising@hccs.edu)

## Required Essential Functions

<i>Functional Capacity</i>	<i>Standards (Tasks)</i>
<b>Psychomotor Skills</b>	
<b>Gross Motor</b>	<p>Perform work that requires frequent standing, bending, reaching, squatting, kneeling, moving, lifting of patients/clients and/or equipment.</p> <p>Sit and maintain upright posture. Stand and maintain upright posture.</p> <p>Safely maneuver self or move another individual's body parts to effectively perform assessment techniques.</p> <p>Safely maneuver and manipulate clinical equipment from side to side, forward and backward, and from or to a lower or higher position.</p> <p>Manipulate common tools used for screening tests of the cranial nerves, sensation, range of motion, and muscle testing procedures (e.g., cotton balls, safety pins, reflex hammer, and goniometer).</p>
<b>Fine Motor</b>	<p>Legibly record/document progress notes, in standard medical charts in hospital/clinical settings in a timely manner, and consistent with the acceptable norms of clinical settings.</p> <p>Coherently and legibly express thoughts for written assignments and assessments.</p> <p>Palpate changes in an individual's muscle tone, soft tissues, skin quality, joint play, kinesthesia, and temperature in a timely manner, and sense that individual's response to environmental changes and treatment.</p> <p>Apply and adjust therapeutic modalities.</p> <p>Apply and effectively position hands to apply soft tissue and mobilization techniques.</p> <p>Key/type and otherwise operate common desktop computer accessories.</p>
<b>Physical Strength &amp; Endurance</b>	<p>Safely and effectively guide, facilitate, inhibit, and resist movement and motor patterns by using facilitation and inhibition techniques, including ability to give time-urgent verbal and sensory feedback. Lift up to 50 pounds.</p> <p>Competently perform Basic Life Support cardiopulmonary resuscitation.</p>
<b>Mobility</b>	<p>Move within rooms as needed for changing groups, lab partners, and workstations, and to perform assigned clinical tasks.</p> <p>Safely move another individual's body in transfers, gait, positioning, exercise, and mobilization technique.</p> <p>Safely manipulate and move equipment and items to aid in the assisting or treating of a patient/client effectively (e.g., bolsters, pillows, plinths, mats, gait assistive devices, other supports or chairs, IVs, monitors, etc.).</p>
<b>Cognitive Skills</b>	
<b>Critical &amp; Analytical Thinking</b>	<p>Retain and use information in the cognitive, psychomotor, and affective domains in order to assess patients/clients, solve problems, and generate new ways of processing or categorizing symptoms.</p> <p>Perform a physical therapy assessment of patients'/clients' posture and movement including analysis of physical, biomechanical, pathological, behavioral, and environmental factors in a timely manner, consistent with the acceptable norms of all clinical settings. Use information to execute a plan of physical therapy management in a safe and timely manner appropriate for the problems identified, and consistent with the acceptable norms of all clinical settings.</p>

<i>Functional Capacity</i>	<i>Standards (Tasks)</i>
	Reassess the treatment plan as needed for effective and efficient management of physical therapy problems in a safe and timely manner, consistent with the acceptable norms of all clinical settings.
<b>Safety</b>	Abide by safety policies and procedures in classroom, laboratory, and clinical facility settings. Maintain awareness of alarms and emergency signals, and respond appropriately (e.g., monitors, cries for help, fire alarms, hospital codes, etc.).
<b>Sensory Skills</b>	
<b>Observation</b>	Observe information from patients/clients (e.g., movement, posture, body mechanics and gait pattern for comparison to normal standards, for purposes of evaluation of movement dysfunction). Discern information from treatment environment(e.g., dials on equipment, assistive devices, furniture placement, and floor surfaces).
<b>Perception</b>	Receive and interpret written and verbal communication in both academic and clinical settings in a timely manner (e.g., review patient/client background information, acknowledge patient/client feedback to assess for pain/discomfort, etc.). Perceive vibrations, and differences in sizes, shapes, and surface characteristics (e.g., auscultate lungs, apical pulse, blood pressure, palpate pulses, assess muscular tone and muscle movement, identify body landmarks, and determine the characteristics of anatomic structures). Determine safe temperature levels and appropriate use of tools, splinting materials, and appliances.
<b>Interpretation</b>	Implement techniques learned through live demonstration, video, graphic, or picture for proper positioning, hand placement, and direction of force to ensure adequate patient/client intervention. Observe and interpret messages not solely based on visual cues (e.g., physical, emotional, and psychological responses from patients/clients).
<b>Communication</b>	Effectively communicate to other students, faculty, patients/clients, peers, staff, and families to ask questions, explain conditions and procedures, teach home programs, and to maintain safety in a timely manner, and within the acceptable norms of academic and clinical settings. Receive and send verbal communication in life threatening situations in a timely manner within acceptable norms of clinical settings.
<b>Adaptability</b>	Adapt effectively to changing environments and increasing tension levels in a variety of situations. Demonstrate flexibility and learn to function in the face of uncertainties and ambiguities inherent in the clinical problems of many patients/clients.

<b>Interpersonal Skills</b>	<p>Maintain positive interactions with individuals, families, and groups from diverse socioeconomic and cultural backgrounds.</p> <p>Acknowledge and respect individual values and opinions in order to foster harmonious working relationships with colleagues, peers, and patients/clients.</p>
<i>Functional Capacity</i>	<i>Standards (Tasks)</i>
<b>Emotional Stability</b>	<p>Demonstrate appropriate affective behaviors and mental attitudes in order not to jeopardize the emotional, physical, mental, and behavioral safety of patients/clients and other individuals with whom one interacts in the academic and clinical settings.</p> <p>Cope with the mental and emotional rigors of a demanding educational program in physical therapy that includes academic and clinical components, which occur within set time constraints and often concurrently (e.g., focus sustained attention on tasks).</p> <p>Monitor and appropriately regulate own emotions to maintain composure, without prompting from others (e.g., control anger and avoid aggressive behavior, even in very stressful or demanding situations).</p> <p>Recognize constructive criticism and performance feedback as avenues for improvement.</p>
<b>Ethics &amp; Professionalism</b>	<p>Arrive to lecture, lab, and clinical locations in a timely manner. Maintain general good health, self-care, and hygiene in order not to jeopardize the health and safety of self and individuals with which one interacts in the academic and clinical settings.</p> <p>Protect patients'/clients' privacy and confidential information (e.g., adhere to HIPAA restrictions).</p> <p>Comply with the ethical standards of the American Physical Therapy Association.</p> <p>Abide by the Value-Based Behaviors and the Guide for Conduct of the Physical Therapist Assistant of the American Physical Therapy Association.</p>
