April 29, 11 a.m. - 5 p.m. (Academia) | April 30, 9:30 a.m. - 5 p.m. (Industry)  
West Houston Institute Auditorium | 2811 Hayes Road, Houston, TX 77082

## Artificial Intelligence Conference EXIT SURVEY

Thank you so much for attending HCC's first inaugural AI conference. It was quite a feat to pull this off in such a short amount of time and it took an incredible collective effort between our Computer Science Association club, the Digital & Information Technology COE, Southwest College, the West Houston Institute staff, other HCC organizations (including Women in IT), our partners, and many volunteers. We are all very happy that we were able to bring together students, academic leaders, and industry professionals. The synergies and connections that were made and still being made are incredible! We are honored and grateful to have received support from such high caliber professionals and academic leaders.

We had close to 500 registrations all together between in-person and virtual. Our Day 1 in-person attendance was 121 and Day 2 in-person was 120. We also had hundreds that were watching live through multiple platforms.

You can watch the full conference streams from our CSA YouTube channel (please subscribe and like!)

<https://www.youtube.com/channel/UCLoGe2LPgzcYsxuhzE56bw> - we had virtual presentations that were not part of the in-person event.

With that said, we ask that you please fill out the following survey to capture your sentiments and useful information to share with everyone.  
[For students looking to join our Computer Science Association club, you can contact us at dit.csa@hccs.edu](#)

---

## Digital & Information Technology Monthly Information Sessions

Please note that we have monthly info sessions about all of our programs under the Digital & Information Technology Center of Excellence (including our Artificial Intelligence Associate of Applied Science degree!). The next one will be on May 19th 10:30am – 12:30pm and it will be virtual (via Webex). We also share the recordings and past recordings/documentation in case you are unable to attend the info session. **[REGISTER FOR INFO SESSION](#)** Contact Elena Olvera (elena.olvera@hccs.edu) or Naseem Nikooei (naseem.nikooei@hccs.edu) if you need assistance.

---

## THANK YOU TO OUR SPONSORS!

A million thanks again to everyone that helped us make the event a success and special thanks to our sponsors Microsoft (Platinum), the Ken Kennedy Institute (Gold), HCC Southwest (Gold), the University of Houston Downtown (Silver), the University of Houston Victoria (Silver), LSAMP (Silver), Women In IT (Silver), IntelliTide (Silver), and Bytelink Systems (Bronze) for their monetary contributions and in-kind contributions from PepsiCo, the Greater Houston Partnership, and the Fortbend Chamber of Commerce.

We look forward to next year!

HCC | 5601 West Loop South, Houston, TX 77082
