Note: For students who wish to arrive early or stay late to work on their projects, the lab will be open before and after each session. Students are welcome to come in beginning at 10:00am and can stay until 3:30pm on workshop days. This provides a great opportunity to get a head start, continue developing your skills, or collaborate with your peers.

Important Dates:

- **September 4, 2025 – Eagle Spark Open House (9:30 AM – 11:30 AM):**

  Students, families, and HCC leadership are invited to tour the Apple Lab, meet the Eagle Spark team, explore our tech stations, and get a hands-on preview of what's to come in the workshop series.

- **April 29, 2026 – DigiCom Portfolio Review (6:00–9:00 PM):**

  Eagle Spark x Pathways participants will showcase their work alongside other students during this special industry night. Each student will have a table to present their projects to visiting professionals.

- **May 7, 2026 – Final Presentation Day:**

  The final day of the Eagle Spark x Pathways series will be dedicated to celebrating student work with presentations and a showcase of the projects developed throughout the program.
